Product Information Sheet

Super Absorbent Granules 475g Shaker Pot

80 Litre Absorption - Pot of 475g

You fast-acting, super absorbent solution to hazardous liquids and daily spills - in controlled environments and at home.

Product Description

The SafetyGel Shaker Pot contains 475g of our fast-acting, super absorbent granules, rapidly absorbing and solidifying hazardous liquids such as urine, vomit, and blood, for safe, hygienic disposal.

The easy-pour shaker design allows you to apply granules into containers or directly onto spills, immediately beginning the absorption process and helping control odours upon contact with fluids.

Suitable for care settings, clinical environments, and everyday fluid emergencies.

Product Features

- **Rapid Absorption:** Fast-acting SafetyGel Granules rapidly absorb and solidify fluids, enabling their secure disposal via solid waste
- **Wide Waste Compatibility:** Ideal for solidifying and denaturing various types of bodily fluids & liquid waste such as blood, vomit, urine, and hazardous chemicals
- **Versatile Applications:** Suitable for use in a wide range of environments, including hospitals, care homes, clinics, laboratories, schools, and at home
- **Exceptional Absorption Capacity:** Just one gram of SafetyGel can absorb up to 170ml of liquid. This 475g Shaker Pot provides up to 80 litres of absorption
- **Easy Disposal:** Solidified waste can be safely disposed of without the risk of spills or leaks, safeguarding healthcare professionals, patients and staff
- **Improved Infection Control:** Reduces the risk of cross-contamination, promoting secure and hygienic disposal

Directions for Use:

1. Twist cap to open and shake the desired amount over the spillage.
2. Wait two minutes for the granules to absorb the liquid.
3. Once fluid has solidified, dispose of contents via the appropriate clinical waste channel or your local disposal route. Always follow local, regional, or national waste disposal guidelines.
4. In case of spillages, ensure surfaces are dried carefully after use to avoid a slip hazard.

Non-Toxic & Non-Irritant | WARNING: **DO NOT EAT** | CHOKING HAZARD
